Subj: Letter Of Commendation

Dear Sandra:

On behalf of the Zachry Construction Corporation, I would like to take this opportunity to commend your Firm's performance of earthwork, building perimeter drainage, rough - fine grading, and asphalt paving on the aforementioned Zachry's Project.

Frank's Paving completed this one million dollar-plus contracted work in a timely fashion coordinating this multi-phased task with Zachry and other project Subcontractors. Your professional business like efforts accompanied with your well trained engineers, equipment operators, and excellent well maintained equipment was paramount to Zachry's success on the project.

In closing, I wish you more success and I look forward to working with you again in the very near future.

Sincerely,
Zachry Construction Corporation
